It was obseved that overall satisfaction rate among the students were very high. It was almost around 75% to 95% in favour of various initiatives adopted by the college to improve the quality of Teaching Learning process. Students Support and Progression and othe Students centric initiatives and Best and Healthy systems. This feedback analysis report has served as SWOT analysis for the college. Overall suggestion available from the students will be imparted in the future planning of the IQAC and will be communicated to the college managment accordingly.
